

RZ 200 RZ2T-S 2-Stroke Synthetic Engine Oil

RZ2T-S is designed for use in modern 2-stroke motorcycles, scooters, ATVs and lawn equipment. Its high lubricity and oil film strength help to protect against piston seizure, ring sticking, plug fouling and bearing wear. Low ash additives provide engines with cleanness and superior anti-frictional properties.

Compatibility:

- API TC (TSC-3)
- ISO L-EGD (low smoke)
- JASO FC/FD
- TISI

Application:

- Suitable for two-stroke motorcycle, scooter, ATV and lawn equipment engines.

Advantages:

- Excellent wear protection
- Virtually residue-free combustion
- 'Low smoke' formulation
- Reduced deposits on piston rings, outlet ports and spark plugs
- Prevention of glow ignition in a reliable manner
- Multi-functional application possibilities
- Suitable for air-cooled and water-cooled 2-stroke engines
- Suitable for both separate and mixed lubrication

RZ200 Motor Oil is suitable for all kinds of two / four-Stroke, sport motorcycle or scooter engine, with unsurpassed lubricating performance and wear protection to provide ultimate performance and racing acceleration for racing motors.

Content: 1,0 Liter

Content Carton: 10 cans

Content: 60,0 Liter

Content Sea pallet: 9 drums

Content: 200,0 Liter

Content Sea pallet: 4 drums

Typical characteristics

Property	Method	Unit	Value
Density at 15 °C	ASTM D-7042	g/ml	0,87
Kinematic viscosity KV 40	ASTM D-7042	mm ² /s	72,6
Flash point	ASTM D-92 / DIN EN ISO 2592	°C	138
Pour point	ASTM D-97 / DIN EN ISO 3016	°C	-29

These parameters are typical of current production. The data does not include any assurance of properties or the guarantee of suitability for a special application. Existing statutory provisions and ordinances, which relate to the handling and use of the products, must be observed by the recipient of our products.
